

Where the Rubber Meets the Road:

Causal Factors in Vehicle Collisions

Wednesday, March 14, 2012 | Maggiano's Buckhead | 1 CLE or 1 CE Hour

Registration at 11:45 am | Lunch begins at Noon | CLE from 12:15 - 1:15 pm

The GDLA Education Committee & Platinum Sponsor Collision Specialists Inc. present a CLE that will help you determine the causal factors of a vehicle collision before you depose a police officer or opposing expert. "Black box" technology, including the classification of roadway evidence and vehicle dynamics, is often misinterpreted. Through the lecture and visual aids, you will learn to understand these concepts.

Advancing the Civil Defense Bar[®]

Collision Specialists Inc.'s Jeffrey A. Kidd began his law enforcement career with the Georgia State Patrol in 1988. In 1997, he was selected as one of 20 charter members of the fatal traffic unit known as the Specialized Collision Reconstruction Team. He retired in 2009 as a Sergeant after 21 years of service, during which he investigated over 3,000 collisions, including nearly 1,500 fatal crashes. He is ACTAR certified and has been recognized as an expert in accident reconstruction in state, superior and federal courts in Georgia. He is certified to perform Level I inspections on commercial motor vehicle carriers and their drivers under the Federal Motor Carrier Safety Regulations.
