The Evidence Code will be changing before we know it. Will you be ready or will you be caught off guard? Join us as **Professor Paul S. Milich** explains the intricacies associated with the changes taking effect on January 1, 2013.

As we all begin to explore and learn the new Evidence Code, you won't want to miss this seminar focused on the civil defense perspective. You've read the article Professor Milich wrote for the latest GDLA newsletter, now come hear him discuss it and answer your questions live.

Professor Milich played an integral role in the drafting and adoption of the new rules of evidence. He is a Professor of Law and Director of the Litigation Skills Program at Georgia State University's College of Law and was the Reporter for the State Bar of Georgia's Evidence Study Committee.
